Patricia Partain posted:

I worked for many years with Yvonne at CHI Memorial. Yvonne was a very faithful and dependable associate and took much pride in her work. She was a special friend to me and was also a special friend to another associate in our department named Jeff. He needed a special friend to come along side him and help him through his work day. Her kindness and understanding of working with him will always be a blessing to me. Yvonne will be missed; she will not be forgotten.
