I knew Mr. Allie as a child even though I meet him through his brother, I had the pleasure of meeting him again in 2019 50 something years later and his smile and kind words never changed he talked about the changes that had happened in his life 😞 his Health issues but always had a smile and kept assuring me that he was going to be alright and I can say for sure I know that he is.For he is with our wonderful father who promised him eternal life and he is no longer hurting, I wish I could have been by his side in his last moments.But he is safer in God's hands , I'll miss our talks your smile and miss you my friend, and all of, your,encouragements. 😞😞😞 Soar on my friend gone but never forgotten
