God saw that you was tired, A cure was not to be. So he put His arms around you And whisper, " Come with me". With tearful eyes, family watched me suffer. And saw me fade away. Although you loved me dearly, You could not make me stay. A golden heart stopped beating. Hard working hands to rest. God broke your hearts to prove to you. He only takes " the best". I love you. You will missed and Never forgotten. From Shawn
