Ms. Dorothy, Thank you for being the genuine and caring person you were. It was all ways a pleasure working with you because you gave us all a sense of comfort when you were in charge because we knew everything was going to be in order. But, you were also like a mother figure to me and I'm sure others as well. You taught me nursing skills as well as life lessons. Job well done my friend! Rest In Peace with no more suffering. You will be missed!
