Dear Ms. Kelly, Jasmin and I send our love and prayers on Angel's Wings for you your family during this time.I will forever remember how your face always glowed at the mention of her name, and hers yours. Our paths crossed a year ago at a Goodymob Concert, I on my crutches, she in her chair, and guess what, WE HAD A BALL... She, proud as a peacock, with that glow, immediately said my name, followed with, "you remember me, I'm Melba's daughter ."Good job Mama, Melba Kelly, 40 plus years later, the world and I could still experience the love, respect, and adoration a daughter, Stephanie, had for her mother Melba.Love always, Carla Elliott & Jasmin SmithHeadstart Family

I remember Stephanie from Brainerd high my last year there. I took only one class with her but she was always quiet and reserved! I worked with her mom Ms. Kelly years ago at Avondale headstart up until she got sick. Saw Stephanie a couple of times after that. She hadnt changed and still looked the same. May God continue to keep her mom and family lifted up during this diifcult time!
