My heart still hurts with you been gone but I know God is happy to have you. You were so sweet and kind and i loved you so much. I remember when i met you in over 20 years ago and right from the start you took me into your heart and you were always protective of me. You never really felt like a cousin to me. You always treated me like a big sister and when we lost contact with each other we picked right back up from where we left off and I was excited to hear from you because you always made every effort to stay in touch. Ill always love you for that, I am going to miss you so much and my heart hurts so bad. Because We had plans after this virus but God had other plans. I know you are looking down from heaven and smiling. R.I.P. My dear sweet cousin. You were so sweet, cool, and fun. My heart goes out to cousin Fred and The Girls we all knew how special you were. I love you

Anytime I saw Mrs. Carol, she was smiling, ready to give a hug and "dressed to the nines"!!! I know she will be missed by many but especially to her family. She was the pillar to her close knit family and a best friend to her daughters and husband. Mrs. Carol you will be missed but I know you are in heaven with your Heavenly Father.
