Rhonda Mcwhorter posted:

The pain of losing someone never goes away. There are days when I feel like he's still here and I just hadn't talked to him in a while then there are days when I just can't understand how my daddy is gone. We argued a lot but we loved even more. I was so blessed to have him in my life and to be able to help guide his care in his final days. God I wish that I could have my daddy back even just for a little bit but I know it is not possible. I pray for the day that we see each other again. I love you daddy! I think about you everyday. I keep your picture in my room, living room and kitchen so that I can always see your smile! -Rhonda
