My deepest condolences to the family. I have fond memories of San growing up from 1st grade through High School and I was probably the only one that could get away with calling her Ollie when no one was around. She was truly a giving and loving person whom I will miss dearly. No worries because I'll see you in the morning San. Min. Paula Wheeler Hughes

Our thoughts and prayers are with Latonya, Tevin, and the family at this time. We were blessed to experience the beautiful relationship between San, Latonya, and Tevin. Know that our time in this realm is limited. It is imperative that our main focus should be the alignment of our lives with His plan. We are thankful for the time He allowed us to be a part of San's journey. We also know that in time we will rejoice with her and our other loved ones in His presence.

Our hearts are truly saddened by San's passing. She has and always will be considered as a member of our family. I asked for another sister and God sent San to fulfill that request. Along with her my family was blessed with Tonya, her daughter a beautiful granddaughter, niece and cousin for each of us. San now is at peace in God's kingdom but her kind, loving and giving spirit will live on forever. Heaven now has another angel!
