"C" was supportive of the Sunday morning worship times as he worked with patients and volunteers. He recognized the importance of the spiritual impact in the lives of the patients. We at First Lutheran Church appreciated the encouragement he gave to us all. So many have been blessed by his service and commitment to Moccasin Bend. God's comfort and peace to his family.

Clarence and I along with Almeida Luster graduated from the University of Phoenix together. We made a pact that we would help each other obtain our degree's. And we all graduated! I'm in disbelief right now, but my faith in God assures me that Clarence is safe at home now. What a wonderful spirit. LWilliams
