Margaret had a big heart and was always there to mentor me at work when I needed it...she even adopted a puppy that I rescued out of my ditch. I will miss our conversations and also working with her. Condolences to all of her friends and family!

Margaret was an amazing woman and the greatest friend. She had a huge heart and would be there to support anyone at any time as she was for me. She knew how I froze all the time on campus at BCBST and for Christmas 2019 she gave me a blanket that I have used every day sine then. To know her was to love her. I will miss her terribly. My prayers are with her family. Gina McDaniel
