Ashtin lit a candle in honor of Elijah.

When I first met you, we clicked and you were my homie from day one , seeing your smile and hearing your laugh was the best. You always had the best sense of humor. And you were such a great dancer.I remember you used to call me almost every day just to make sure I was doing okay.. I miss your phone calls. I miss waking up to your texts. You always will be my best friend and I wish you could have gotten to meet my daughter Sage. You always said you couldn't wait to meet her, we had plans to see eachother.

I love you ❤️

Felicia Brown-Collins lit a candle in honor of Elijah.

Sharing a memory of Elijah Washington by lighting a Candle. I will always remember you by your biggest smiles and your laughter and giggles. I pray today that God have prepared a place for you and your "big heart" so that you and your family can be at peace. You will forever be missed but "never forgotten". Felicia Brown-Collins 🙏
