I graduated in 1978 with her brother, I ran into her in the elevator at Erlanger, she had forgotten me but I told her who I was, she then remembered me. Every time I saw her we would talk about old times. Condolences to the family, praying God will comfort each of you during this difficult time!

To the Bryany Family. Pray for comfort and understanding.I met Tonda while working in the Westside in the mid 1990's. She would give me and my partner's such a hard time. Later I realized this was her way of "breaking me in" to the neighborhood. Tonda never held back what was on her mind. She was always there to hear me vent. I will always remember how big her heart was.Rest in Peace my Friend.Vincent Holoman

Long ago; through the Ballou Family, I met Tonda has she was a little girl. Taking Darlene back to MTSU; she was the family joy. My heart goes out to the Bryant Family; wishing the pain be short and the memories everlasting. Gone from earth but not the mind nor the spirit; may she remain where it counts most.

I got to know Tonda when she started working on our floor. She was always so enthusiastic. She is going to be missed for sure. I got to meet her grandson one time. She was excited for him to come meet us. While I am sad to see her leave us, I know she is having a wonderful time in heaven. I am sending the family prayers.
