Kevin your family has been a part of my life for well over 25 years. I've watched you transition to the MAN GOD called you to be and it was wonderful. You were a blessing to so many people while you were here and loved by many as well. I am FOREVER thankful for the LOVE you and had with Drinna & Reece. She's your Big Sis and he's your brother but she is my heart. It hurts me to know the pain that she is in because her baby is not here anymore. So please keep watching out for her up in HEAVEN like you did when you were here. Take your rest because it is well deserved. You mission down here was completed. You have left an awesome legacy for your kids and family and know that you will always be in the hearts and on the minds of those whom love you. Don't worry about Ms. G and Vette, you already know they will be looked after just the way you would want them to be. Rest easy.....Dimples
