From my first meeting with Williette, till my last, a few weeks ago, she always made me welcome in her home. The last time I was there she gave me a pet. One like I had never seen before. I named my pet GH. We bounded right away. Looking out the kitchen window every morning of my visit, my pet came to greet me and I him. I'm going to miss Williette and the warm hospitality of friends and neighbors and family I through her and i'm going to miss GH. My condolences to the Moma and Denise and all the family and friends, especially GH who are left to cherish her memory. Oh buy the way GH is the Ground Hog I saw playing in her yard.God bless her memory.Lovingly MarieDetroit Michigan
