Apostle Yvonne Shelton September 30 at 2:42 AM

Martha was a good person I think about her making a pound cake and bringing me a piece.when God gave me the vision of a women's ministry and Cynthia Adams was supposed to be the leading lady she could not attend due to health issues Martha stood in for her. If I had to pick my fondest memory it would be my mother had almost took Bishop from her just as he started preaching he got so food out of the house to feed the dogs to get them to sit there and listen to him while telling my mother about him she addressed him as her child anytime Bishop did something he should not do she would say to my mother that is your child she will be miss.Martha sleep on and take your rest we all loved you but God,(our God ,your God) love you best.The Colbert and Shelton family are here to assistance you all in any way.
