Just want to say I love you big cousin. You was more like a big brother to me and I thank you for everything that you taught me. You was hard on us but I know why now because it was preparing us for this thing called life. As one of the oldest males in our family you got our skin tough for the things that are out here in everyday day life which made us tough and stronger everyday. So go take a break and Rest In Peace see you soon you lil Cousin Andre' Aka Eazy Love you.
