I have frequently thought about you and your family since I heard about the passing of your sweet sweet girl GeLissa. We have shared many conversations in Walmart about your family and your grandbabies and the unconditional love you have for them. Please know that I am thinking of both you and Gary during this difficult time.

I reflect on the day the twins were born, our hearts overflowed with joy and excitement. They were Loved even before they arrived. As their great aunt, it has been my absolute pleasure and deep joy to have them and watch them grow. The kindest, sweetest, loving young ladies you ever want to meet. I'm proud to call them mine.....We will miss you GeLissa, your spirit will live on through our wonderful memories of you! I promise to be there for your babies, never allowing them to go without a thing, just as I did while you were here. Please watch over them and us your loving family and know, "We Will Never Forget You" ❤️😊🙏
