Like any great comedian Ronnie was never lost for words. One of Ronnie's many funny stories to tell is the time he accused me, because he was always (NOT GUILTY) of being the reason his hair on his head wouldn't grow but after being absent from the choir for a few months. When I returned & as he saw me walking towards him, he made the comment, "Because you were gone my hair had begun to grow back." Yes you just had to be there! I'll see you again In that great getting up morning. I'll never forget you always making me laugh with much Joy!

My husband and i watch our wedding video from time to time. While looking at it we noticed how serious Ronnie looked playing for the wedding. Then, at the reception he was so funny. The single men gathered to catch the bride's garter. As soon as it was tossed Ronnie ran back to his table laughing to avoid catching it. Little did he know God already had a beautiful bride already picked out for him. His laughter will be missed.
