I find comfort in knowing that you are at peace and rest. Thank you for being hard on me. Thank you for teaching me to learn and know my operation from A-Z. Thank you for driving me crazy and having me do things over and over again. I will forever be grateful. My prayers are with Christy, your children, and family.

Donald, it is a shock to me to recognize that you left this world during the pandemic and I wasn't aware. I will miss your warmth, smile, and your willingness to help everyone who needed it - in times of need. May you rest peacefully in Jesus. And may the Almighty comfort your dear children, grandchildren, family and your fraternity brothers/family. You will be sorely missed!!!
