Renee was truly an Awesome mother to her children. I had the amazing opportunity to care for her children in preschool at Neighborhood Christian Child Development Center Inc. I absolutely love Breonna and Dominique. Renee was a parent that was very involved in the early learning of both of her children, she was just amazing!! know that Breonna and Dominique is all grown up now but they were our babies at the center when they were in preschool. Renee was a hands on mom, she absolutely loved her children and she made sure that they had the very best of care. She is a parent that I will never forget. Every item of clothing were always in tact, everything about her children was second to none. I just can't say enough about her along with her role as a mother. She will be truly, truly missed.
