UNC you were a very important part of my life....you raised me and guided me to be the man I am today!! You were my uncle, father and a best friend!! I can't thank you enough for being that figure in my life for 45 years....I was beside you holding your hand when you gained your wings!!! It hurts to know that you have transitioned tomorrow celestial home. But I am glad you are free from pain and can smile continually. One of my best friends. We had many good times together. Those memories linger still. I will see you later in Glory.
