To the Josie Lee King Family...I send condolences from the Ross, Reeves and Morris family from Chattanooga, California and Las Vegas. Mrs Josie Lee is in my fondest memories. I loved her like a close relative and extension of my family...because that's what she was. Yes she will be missed. But I am happy for her because she lived a full life and has now transitioned to see, the "so great a cloud of witnesses" that have gone ahead of her cheering her on as they welcome her into that place of peace, love, joy and happiness that can only be experienced there. I loved her and stand with the family during this time of her "Life Celebration" Mary Ross Reeves-Morris 8/12/2022

When Ms.Josie came to live with her daughter Edna and her husband Harrold who are my neighbors and the church family. So I came to their house on Friday evening at sunset to start the Sabbath and again on Saturday evening to close the Sabbath. Ms.Josie loved to sing and she had a beautiful voice. We sang many songs and she enjoyed singing and we all enjoyed singing with her. As her condition got worse,she was in a pain and tired even with pain medication, we would sing and listen to the hymns on YouTube and her spirit revived. We often talked about God and the heaven and read Rev.21 and 22. She was always thankful to God. She gave me the nickname Koko and I liked it very much. It was a privilege and joy to have known her and I will miss her a lot. Now I am glad to know she is not suffering anymore and we have a wonderful hope of the resurrection day that we will see each other if we are faithful till the end. I just wanted to share my experience with Ms. Josie with you. It may give you a peace and comfort through this sorrowful time.Dear Harrold, Edna and all the family, you are in my thoughts and prayers. Inspite of what you were going through with your problems, you helped me so much through my sickness and moving . My heart is filled with much gratitude. May the Lord be with you to give you the peace and comfort.
