How do you say goodbye to someone you love like a sister? Life will never be the same without you. I find comfort in knowing that you are now with our father in Heaven and I know I will see you again soon. Rest in peace rest and Power my prayer partner my dearest friend I love you forever. And don't worry about Montage...I'll continue to love him and check on him like my own son...

Aunt Gwen I'm glad I got to laugh with you through video chat. Sit with you on the porch at your god daughter's house. You always had encouraging words and always loved us (your entire family). Always opened your home to any of us, no questions asked. Through your pain you always gave God His glory, His honor, your praise to Him! Rest easy! This is not goodbye. It's always love and later!
