Dee Dee was a beautiful woman who lived her life as a servant of God. She showed us how to live gracefully and humble. She loved her family and those around her. I saw her last Tuesday at the store and we hugged (cause she's a hugger 😊) and told her that I would see her next time. I pray that her sons and husband will to find strength in God and continue to make her proud. This one hurts but I know that she is in heaven smiling that beautiful smile still watching over her loved ones.

I met Dee Dee at Chattanooga Imaging. This was early in her career. She was the sweetest, funniest and most loving person. I wouldn't go there unless she was my tech. I had planned to go to Erlanger this year. The shock I had was unreal when I saw her beautiful face on the obituary page. She loved her boys so much and was making such a good life. I know her house burned and they were just getting back to it when I saw her this summer. I have no idea what happened but I know one thing for sure she is an angel in heaven and she will be looking over all of us.
