Daddy, I love and miss you so much. I think about you constantly, thank you for allowing me the time I had to spend with you, no matter how brief. Thank you for our talks, our laughs, and even our disagreements. You took your last breath in my arms, and that is something that will forever stick with me, I wish God could have granted us more time, but I also did not want to see you suffer any longer than you did. May you rest well my twin, until I see you again. I LOVE YOU DADDY
