The name "sounded" familiar because i know some Robinson's...SEEN the name earlier, my mind said on today...take a look. First of all PRAYERS out to the family. I've been knowing Oscar for years from the 2100 block of Chamberlain Ave. Oscar was an interesting person that stayed to himself. Oscar was also a little "smarter" than a person would think. Oscar have stopped and talked, out of the entire time (over the years)i didn't know his name. One day WE was trying to get his "new" phone going, began to talk (He didn't talk much) The next time, last time we talked was at that Shell station on Wilcox, Dodson, he had got a newer car...we talked about SHIPS, some how we got on a subject, FOURTH Street came up, after getting into it I found out that i should have known him "way" before Chamberlain Ave (He had to be small at that time) when he told me his Brother's name is didn't recall, but when he told me his Sister's names i remember Dolly, Curtis M . (Small world) We went "back" to Fourth Street, Hickory where i told him that you "couldn't" go far. RIH OSCAR. It's TRUE...Sometimes being to YOURSELF is best. Along with Family ...I'll MISS you too!! HOWARD "Cold Duck" AKINS 11/12/2022
