Has he been the husband of Kerstin Bridges, former known as Kerstin Petersen, who had moved from Germany, from Cologne to the USA in 1988? She had married a Reggie Bridges in 1988. She was my best friend at that time till 1988 and I often very much miss her. I send my deep condolences to her and her kids for the loss of Reggie. I have also lost my Mum this year in May. She died at the age of 86 in hospital after a stroke. Best wishes from Cologne in Germany from Cora.
