I can't believe I am just now hearing this. You were by boy. My mom even thought highly of you. I understand why you never responded to my last message. No more hurt, no more anger. Tell Andy I miss him too. This is tough

My heart is shattered seeing this! I had no idea! I'll never forget you. You were like a son to me. I still remember you sitting and talking to me while I was working. Just talking about the rap game and you rapping to me. Rest in peace, young man.
