It's hard for me to find a person that I could call my friend and I can actually say that MB Michael, he was a good friend to me and my kids. The short time that he spent in Ohio was truly a joy talking, laughing and just having a good old time with you will surely be missed by everyone you know and spent time with. I'm thankful to you for bringing Vib into my life and us having a good friendship to be Loved is a good thing and to see and know the love that you had for your family always put a smile on your face many things have took place since your days in Ohio but my good friend always had that hustle hustle real heart and went and hustle hustle hard to short of a notice of the arrangements for me to come in person to say goodbye but a friendship I can tell your family and friends about with all truth missing you will go on for life but forgetting you will never happen for those who truly loved you
