Jessie Mae will definitely be missed. We were schoolmates for many years. Praying that God's mercy will be upon her brother and the entire family during this difficult time. Jessie Mae and I shared the same birthday, October 8th. I would call her every year on that date and we would talk for an hour or so. She and my husband (Sherman) were in the same class and they would reminisce about their school days. RIP Jessie, will see you on the other side of through.
