Damn it's been a whole damn year since you left you have no idea how much you are missed . I get made sometimes when I see ppl with the sister and mine gone but that's life . Novas girl is just as pretty and smart as ever . I can still see you in her like I always told you from the time you brought her home. Life is so sad and boring without you in it. I miss you so much and wish that you was still here . I have dreams with you in them and wake up feeling empty and sad as hell 😞 I'm tryna get my life back on track I wanna get back to church and do what God put me here for so that I will be able to see you again but until I know I love you and will always miss and love you 😞 ttyl

Erica you surprised me with this one. I can't believe you're gone. You was so supportive when I lost my son and husband and now I don't even know what to say this is so unreal. I remembered when we first met I was smitten with your brother Corey. He was my first true love and now both of you gone I tell you what life isn't fair. Until we meet again get your rest on beautiful and give Corey a big hug for me. ☐☐☐

When the wind blows softly, just listen and you'll hear
My voice will whisper to you
Just know that I am near...

Erica... My friend... I will love and treasure you forever. Your light shun so bright that it extengished before any of us were ready! We all will carry your memory forward with us and celebrate your life! Erica wore her heart on her sleeve... If she called you friend then you know what it meant to be loved... She was golden. There will never be another like you! 💜 I pray that Nova, Cha-Cha and Keyonta find strength within each other... Be there for one another and I pray her grandkids know how much she adored them... They ruled her world. I pray Sandra finds the strength to carry forward with all she needs to... My heart hurts for her so bad. God please bless this family as they walk this difficult path. 🙏
