I was blessed to get to know Bobby at BCBST. He was always so kind and caring never failing to ask how me and my family were doing. I enjoyed hearing him talk about growing up in Chattanooga and the time he spent working for Greyhound. He kept me entertained with funny stories about celebrities he met and other experiences while working and traveling in Chattanooga and some of the obscure small towns between Atlanta and Kentucky. He was one of the few I have encountered that had actually visited my tiny hometown and could tell me something about it. He also loved to tell me about his family and special friends. It was obvious that he was very proud and loved them all deeply (especially his brothers, sisters and children). I know he will be missed by many including me. Rest in peace, my friend!

Mr. Bobby Williams, aka "Spidey," was a true gentleman and gentle giant. I had the pleasure of working with him at BCBST. He always made sure to speak and ask if you needed anything. He could tell when you were feeling down and would try to lift your spirits. He truly enjoyed talking about his upbringing, siblings, children, grandchildren, and yours. They broke the mold when he was made. He was a precious man. I'm fortunate for having met him. My condolences to the family.

I will miss my Brother Bobby Williams so much, he loved working at Greyhound bus company where he met so many people through out the years, he never met a stranger. Even working at Blue Cross on Cameron Hill he met a lot of people and he always spoke fondly of the people that he came into contact with during his evening shift job. My family is left with a big whole in our hearts at this time due to loss of our Big Brother Bobby. Jean Ewing-Armour
