Mercy! Definitely wasn't ready for this! Me and you have had many up/ down throughout the time me knowing you.... I feel in my heart you know that I cared! With that being said, I am definitely feeling sad that you aren't here anymore 😞! But, I can't be selfish given that you struggle with the dx you had....you fought long & hard....even when it was tough! This is why I'm still sort of shocked because you've been there before! Bless your heart you gave your all and it was your time. You don't have to suffer anymore! I saw that smile on your face and that I will not forget! I hope you know if I could give you more of your flowers while you were here on this earth I would especially after learning your full story! I now understand why! 🥺🥺🥺🥺💔💔

I still remember when you met Anthony. We were just chilling and he came over, he always had the biggest smile.
