Ms. Clyde as I called her was a good friend of mine from Advance Auto Parts and The Cardo apartments. I remember working at Advance one day with her complaining about a lady walking her dog at night by the mailboxes always in the street with rollers in her hair and satin cap on anytime I came home! She just cracked up laughing and said it was her. We both got a kick out of it and became the best of friends after. When I moved from Chattanooga to Memphis really didn't get to see her that much but I would call her every few months and the time I call she is gone! I'm going to miss her and my prays to the family and Mr. David Sharpe as well. A man I looked up to during my college years in Chattanooga.

My condolences to the Clyde and Sharp family. Claudette was sweet and funny. When we were in college at TSU, when Claudette came to Chattanooga to visit her sister she would bring me home and take me back. Her kindness was definitely appreciated.
