My father ❤️ I miss you so much. I'll never forget all the memories and times we've had over the span of my life. 27 years seems so short but yet so long. Just knowing I have to live more life without you than with you actually makes me so sick. I've been by your side this entire time daddy what am I going to do without you? 😭 it's a honor to know you and come from and practically be a female version of you. Until we meet again because I know we will. Your one 🙌- Tikki ❤️👉

Condolences to the Stovall family. It seems that I knew Brother Stovall all my life. He was a country boy turned city that loved his family and never met a stranger. It hurts my heart to learn of his passing but knowing also that he is in a better place. At rest with the Lord. Praying for you all that Jesus gives you the strength and comfort you need at this trying time. Love and peace always. Gracelia
