I remember going to her when I was only a few months old , she took so much good care of me. She was literally my god mother. I wish i could have seen her at least one more time, but the videos I have with us together will always be with me and my memories together will be in my heart forever. I love you god momma. I know your in a better place and will watch over me. Thank you for helping my mother raise me over all these years.

Don't Be Sad When I Die
When tomorrow starts without me, and I'm not there to comfort you, please know that I still love you, 'cause I know you love me too. When tomorrow starts without me and you feel lost and blue, I hope these words I've written will help to see you through. Someday your pain will ease, sadness replaced by fond memories. Come tomorrow you will hear I love you whispered on the breeze. When tomorrow starts without me 'cause God has called me home, I turn, blowing a kiss for thee, sad that you may feel alone. I will miss you tomorrow. As I take one last glimpse, a tear falls from my cheek. I'll be going home. And tomorrow will start without me. With Our Heartfelt Sympathy!
