Ms. Lizzie when I think of my childhood, I can't help but to think about spending most of my days next door at your house. You fed me, loved me, and always treated me as if I was one your own. I wish I would've gotten a chance to thank you in this lifetime, but I will carry you in my heart and spirit as I always have. May you rest peace and power. Sending love and resolve to all of the family, and may God bring everyone comfort during this difficult time.
