Dee Smith, there are so many wonderful memories I have to share about our time together. Seems like a lifetime of memories. I'm so thankful for the time God gave us, however we could have used another 100 years together and that still would not have been enough. I'm missing you already, Bestie. I am so sorry you had to leave us. My heart is broken along with your family. We loved you, but God loved you more. Rest in peace my friend. I will see you when I get to Heaven.
