Wow, I can't believe this has occurred...Pebbles has passed away 😞 She and I met in high @ Howard High School. Her and her best friend Tootie would come watch me practice track 🏃...after school, as we called ourselves dating. Twice, I was bold enough to report to her house, in East Chattanooga...knocked on the door & notice her Mother; Barbara wasn't having it, as i sinned she was mean & protective but I quickly respected that, as I was preparing to accept a track scholarship to college in Texas, and did attend, graduated, hence, I was force to pull away, from Pebbles & my connection, though it was fun, impactful & short lived!!! We had plenty of laughter fun...good memories, though I haven't encountered her since but she always left an heartfelt impression with me. I wish we would have found time to reconnect, as historic friends. She is, will always be missed and thought of...love ❤️ u Pebbles...fly-high 🕊️ 🕊️ 🕊️ ...until we connect again, in heaven...can't wait, as I'm certain your mother Barbara will nolonger have to protect you, be mean...Lol 😂 😊 😊
