Billy Foster sent a virtual gift in honor of Buddy.

I remember when I was about 6 years old, I was sitting on the porch listening to Def Lepperd!!! The song was poor some sugar on me and he asked me what I said so I said it again poor some sugar on me and that's exactly what he did all over me... lol it wasn't funny then but every time I think about it now it makes me wish he was head to do it again... I love you brother always have. I hope to see you again miss you
