To Ms. Collins' family, I am so sorry for such a deep loss. She was a regular of mine at the bank and she always was wearing a smile, even when she didn't feel well. She was one of the sweetest spirits to come through my line, every time it was a joy to see her. She made a beautiful piece of art for me and I will always cherish it. Thank you for sharing her with the world while she was here, we were all lucky to know her.
