Robert was a special person. I was his Director for a short while. When I made my visits to Chattanooga from Morristown FASC, he would always want to know where I was staying to assure my safety and comfort. He was always so supportive to his co-workers and those he supervised. He was a special person to anyone he met and will be greatly missed. I feel comfort knowing I will see him again! Prayers for all who knew him as this was a devastating loss.

Robert and I go back to Brainerd high and shared a love for football to the point of playing fantasy football together. I'll definitely miss his quick wit. He was a smart and real laid back guy! I'm praying for comfort and understanding for the family.

Sending condolences to the family. Robert was a great man to all that crossed his path. He was a such a wonderful friend to my sister Lakisha Nuriddin. They were the best of friends and he talked to her everyday. He will be truly missed. May God give you all strength during this time of need. For God makes no mistakes.
