One of my favorite time with Aunt Betty was when we went blackberry picking on the mountain. I had my hoe, gloves etc.. as we walk the trail headed to the blackberries, a small snake was sunning on a rock. Aunt Betty grab the hoe and you know what happen to the snake.

I met and worked with Mrs. Sheffield in 1965 at Erlanger Hospital. She was a very nice lady and her sister, Sally, worked with us too. I will pray for your family that God will grant you peace and comfort in your time of need. Philippians 4:8 & 13 are good scriptures to read and meditate on. God is a God of comfort and peace.
