Today, my heart feels heavy as I reflect on the incredible soul who I used to hang out with here in Raleigh, North Carolina, Chris was a gentleman to the core. Chris was my friend; a trusted brother and it hurts me so bad. I hold close the memories we shared, knowing that in those moments we truly lived. Chris, though you are gone from this earth, but never from my heart, until we meet again, may your soul rest in peace, and may you find eternal light and happiness wherever you are. Love from Me, my family and all your African brothers. Abi Adigun

As a child, I remember Chris being a happy baby with a beautiful smile. After working with him when he became a grown man, I still saw that big, beautiful smile with a heart to match. I'm sorry sweet young man. You left us too soon. Go now spread your love, your heart and that big beautiful, smile across the heavens. Rest in Love! Valerie, my thoughts and prayers are with you and your family.

My guy wish we could have made more memories as adults like we did when we was young. We had a lot of fun, laughter, pain, and most of all we love each other like brothers. This is not the way I'm supposed to remember you I wish it didn't have to come to this, but I know deep down inside that you are in better place love you Lil Cuz. See you in the next life.
