I was so saddened to hear that she had passed. We spent some wonderful days gossiping about what was happening in and around the hospital. Those fun memories that I will continue to cherish. She was kind, friendly, funny, and a beautiful soul. I will miss her and will keep her family in my prayers.

My heart goes out to the Cotton family and friends. I first met Cotton is what I called her at Erlanger. We would work together at different times when she was pulled to our floor because we needed her help. She had a friendly presence that you would never forget. I later met her in the grocery store after she had retired and I nearing retirement and she helped guide me to the person who would guide and help me with my retirement process. She was haven sent for that purpose to me and I thank her. I will keep you all in my prayers. May many memories of happiness give you all peace and comfort you need during this most challenging time. Please accept my sincere condolences on the behalf of my family. May she rest in eternal peace. 🙏

I have Bae Bar since Elementary school , she was always a very warm, sweet and hilariously funny!! She always had something funny to say, there were no sad times whenever she was around.I remember when we were in the 9th grade @ E. 5th Street school, and we all got suspended bc she said , " I'll go home before I let J.L. beat my thighs with that paddle"!!! We were partners so naturally we followed her, after Mr. Jenkins suspended us for 2 weeks, she laughingly said, "Ya'll fools stupid, we shoulda took that paddling, now Zettie gone kill means Nita you know Ms.Ruby gone stomp you!!!!!! I loved her and I know her family's going to miss her.I want you to know that you all are in my thoughts and prayers! May God be to you, whatever you need Him to be. Earth has NO sorrow that Heaven cannot heal!!! GOD BLESS YOU!!
