Sincere Condolences to my bonus family. I LOVE YOU ALL.Sis, I am still in disbelief. I am having a hard time processing your not being here. You were my sister who loved me unconditionally, rubbed my legs when I was in pain, went to doctor appts with me, and cooked when it wasn't your day to cook, lol we were packed in on Old McDuffie transporting, doing homework, and cooking for 9 kids. We did that sis! We had each other back in any situation right or wrong. We had a plan if we remained single we would travel the world, share a house together, and be 2 disabled people taking care of each other.I LOVE YOU, BABY SISTER !!!
