When Tomorrow Starts Without Me  
By David Romano  
When tomorrow starts without me  
And I'm not here to see the sun should rise and find your eyes  
All filled with tears for me  
I wish you wouldn't cry  
The way you did today  
While thinking of the many things  
We did not get to say  
I know how much you love me  
As much as I love you  
Each time that you think of me  
I know you will miss me too  
When tomorrow starts without me  
Please try to understand  
That an angel came and called my name  
And took me by the hand  
The angel said my place was ready  
In Heaven far above  
And that I would have to leave behind  
All those I dearly love  
But when I walked through Heaven's Gates  
I felt so much at home  
When God looked down and smiled at me  
From his golden throne  
He said this is eternity  
And all I promised you  
Today life on Earth is done  
But here it starts a new  
I promise no tomorrow  
For today will always last  
And since each day's the same  
Way there is no longing for the past  
So when tomorrow starts without me  
Do not think we're apart  
For every time you think of me  
Remember I'm right here in your heart  
Our Deepest Sympathy  
Van E. and Regina Patten Hickman

Jessie, my prayers are for our Lord & Saviour to strengthen you and your family. I remember him as a nice person. Philippians 4:8-9 & 13, says " Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report, if there be any virtue, and if there be any praise, think on these things. Those things, which ye have both learned, and received, and heard, and seen in me, do: and the God of peace shall be with you. I can do all things through Christ which strengthens me".

My heart goes out to you and your family for the loss of Brother Jimmie. I know how much he meant to this family. I met Jimmie and Jessie when Tara was only 3 years old and we have been friends ever since. Jimmie was the kind of man every man should want to be like. He set the bar really high. He loved his family and had a heart that wanted to see everyone do well in life. If he could encourage a young person to look at life for all the good it had to offer he encouraged them to do so. I will keep you all in my prayers. May many memories of happiness give you all peace and comfort you need during this most challenging time. Please accept my sincere condolences. May he rest in eternal peace away from all the world's troubles and pain. ❤️🙏
