Aunt. Marie for 30 years has been my mother's best friend. They were so like sisters and that is how she became my aunt Marie. I love her as much as I love a family aunt. On Sunday's she always picked my mom up for church and every Sunday she had something to tell me that she felt she couldn't share with anyone else. We kept a lot of secrets. Aunt Marie was always kind and assured me that she was here for me if I needed to talk. I will always miss and love her. She is truly my aunt Marie.
