My fondest memory of Lindsay is him raping me, and threaten the lives of my family, selling drugs and beating women. Sorry for the loss, but he did it himself by overdosing on fentanyl.

It was just after Thanksgiving, when we were at David Craw's house, loading up Christmas decorations. That was the best 3 hours I had in a long time. Just sitting and reminiscing over the last 40 years. Rest easy my old friend. The love between friends will always be there.
