Brother Charles Wallace was a gentle soul. He always met me with a smile and a handshake. I truly will miss my brother. Like in the movie American Dream about the Jackson's. Michael Jackson told Jermaine Jackson, " When I look over my right shoulder. You are not there." Well, I feel the same way from now on about my dear brother Charles Wallace. Rest in Paradise my brother. I will one day see you on the other side. 🙏🙏

Met Mr. Charles Wallace onboard the USS Dwight D. Eisenhower!!! He was my first supervisor, while I cranked for the supply department. He was very firm but fair! A solid individual! Watching how he conducted himself helped shape how I would later mature! Throughout the years after I left the military- Mr. Wallace & I stayed in touch via social media! He made sure to send me encouraging words when I'd post something a bit personal! I truly appreciated that! The world will truly miss you Big Wallace!!! Love you Brother!!! Rest peacefully Shipmate 🙏😭
